## Furniture painter / furniture painter`s assistant (m/w/d)

### Who we are

bau+art is a modern furniture joinery, a manufactory in Berlin Marienfelde. Since 1987 we realize as a family-run company unique and extraordinary interior design projects. We combine traditional carpentry craftsmanship with modern technology and creative exchange of experience. With passion, ideas and an eye for detail we create lasting quality and satisfied customers only as a team. And we do it in a nearly climate-neutral way.

### Who we are looking for

We are looking for dedicated employees to expand our team.

- You are a trained furniture painter and are looking for a permanent position?
- You do not have a professional qualification but have several years of experience?
- You can handle airless and air cup gun technology, or you want to learn this?
- The production of demanding and varied furniture surfaces interests you.
- You are motivated, reliable and work very carefully.
- You would like to be challenged and encouraged?
- A diversified activity and the cooperation with nice colleagues in a team is important to you.

### What we offer to you

A modern and innovative handicraft company with a lot of competence and a familiar atmosphere. As a training company for many years, the passing on of knowledge and further education of all employees is an important part of our company and the basis for our success.

- A secure and modern workplace in a family business
- Extensive training and general support
- An experienced team and a friendly and familiar working environment
- Regulated working hours: Monday to Thursday 07.00 -16.15 hrs/ Friday -15.00 hrs.
- An open-ended employment contract after passing the probationary period
- A company pension scheme
- Drinks and work clothes
- Regular team events
- Permanent team membership - only together and in a good mood do we create value!
