

## Interns (m/w/d)

We are looking for eager learners to support our experienced team and offer you an internship with us all year round. Whether for your inter-company training or your compulsory internship as part of your university studies.

Are you motivated, ambitious and enthusiastic about craftsmanship and design?  
Are you ready to learn about craftsmanship and materials?  
You want to learn from friendly professionals in a real team?  
Or you also want to get to know the process flows, from measurement, planning, sampling, assembly and completion?  
Then apply with us!

Please send us your application!

We offer you versatile insights into the world of sophisticated furniture and interior design. All production steps take place in our ultra-modern manufacturing facility. We use traditional, modern and trendy materials, create the surfaces in our own paint shop, and assemble the work finished at the customer's site until handover. All this with a super team of experienced professionals and nice trainees.

We look forward to receiving your meaningful application by e-mail with the subject "Internship" or "Mandatory internship" to: Christine Werner, [cw@bau-art.net](mailto:cw@bau-art.net).

### **Who we are**

We are a modern cabinet maker in Berlin Marienfelde. Since 1987 we realize beautiful and extraordinary interior design projects. With passion, experience and an eye for the detail we create only as a team lasting values and content customers. And that almost climate-neutral.

Have we aroused your interest?
